info@prevahealth.com

Directions:

To reach our Dublin facility, take exit 17B (Route 161/Route 33) exit from I-270, west to Muirfield/Avery Road

Turn right on Avery Rd. and proceed to the ***second*** traffic light.

Turn right and go east on Perimeter Drive for ***one mile***.

The Center is in Suite 105 of the ***Emerald Professional Building*** on the corner of Venture and Perimeter Drives. (Venture is a 'loop', see map above.)

*****We have convenient parking at our private entrance on the north side of the building.*****

Services Offered*

EBT HeartScan– Identifies coronary artery disease in its earliest stages. Includes blood work and review of that portion of lung proximal to the heart

EBT Complete Vascular Scan–Our 'total body scan'- the most Comprehensive Cardiovascular AND Lung Cancer Risk Assessment available- includes heart scan, lung scan, vascular assessment and visceral fat analysis

EBT LungScan–High resolution, low radiation complete screening lung CT

EBT Virtual Colonoscopy–Complete noninvasive screening colonoscopy without sedation. A simple preparation is necessary

EBT Bone Mineral Density (OCT)–Comprehensive bone mineral densitometry – the most accurate available anywhere

EBT Body Fat Analysis (EXCLUSIVE!)– Is your diet right for you? An accurate and unique assessment of how your body processes nutrients and whether your diet puts you at risk for future health problems

***Should you choose to add additional services to those prescribed by your doctor, please inquire about our 'bundled' discounts**

One of our doctors is available for a personal consultation following your scan to review your findings and design a personalized HealthPATH. (Unless otherwise directed by your doctor)

NOTE: *Payment for all services, unless otherwise arranged, is due at the time of your appointment.* Most patients receive at least partial reimbursement from their insurance carriers. We can assist in submitting your claim to your carrier.
